Bexprt ◦ Your Cloud Business Partner

Specialising in Advanced Analytics, Generative-AI, Resilience & Telco Cloud

About Bexprt

Bexprt enables organizations to achieve their business goals, over the cloud. We specialise in Advanced Analytics, Resilience and Telco Cloud, supported by Consulting and Managed Services.

Now in our sixth year of business, Bexprt's HQ is in Wokingham, UK, with a regional office in Riyadh, Saudi Arabia, working with clients globally. With an extensive background in the telecom sector, we apply our cloud expertise to address client use cases, across all business sectors, and four continents.

Our specialisations: Advanced Analytics, Generative-AI, Resilience & Telco Cloud.

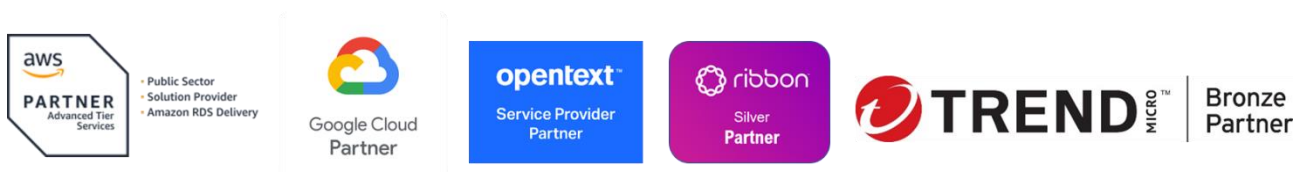

Our values: the foundation of our success and long-term partnerships,
Integrity ◦ Ownership ◦ Loyalty ◦ Transparency ◦ Value-Adding

Bexprt's Executives each have more than 20 years of experience in the IT and telecom sectors, spanning CSPs, IT suppliers, and cloud solutions providers. Together, our business expertise and credentials ensure we have the depth of skills and solution-focused capabilities to address your business requirements and demands.

The Bexprt team is growing steadily, and today employs an expert team of 25 staff from eight nationalities - we are a diverse team of 8 nationalities, and together speak more than 10 languages. Together, we have successfully undertaken projects in 17 countries across four continents.

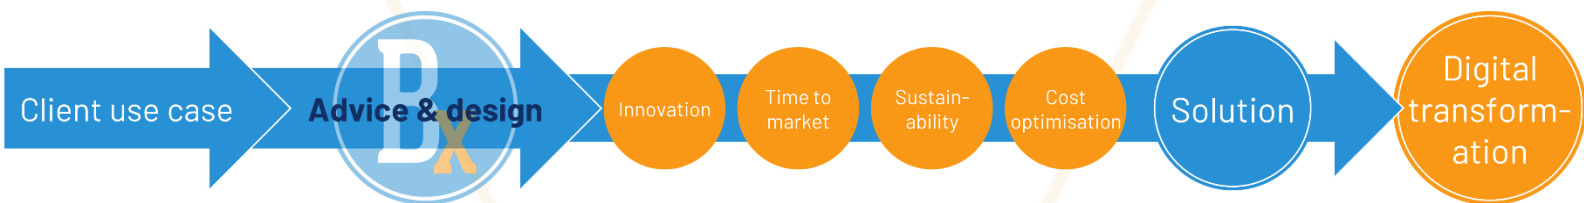

Business success: Founded in March 2018, Bexprt is a privately owned UK company.

- 90% revenue from international contracts (UK digital exports)
- Turnover has quadrupled in 4 years
- December 2022: first international subsidiary opened in Riyadh.
- May 2023: UK Government Department for Business & Trade **Made in the UK, Sold to the World** award for **Digital Exports 2023**
